Procedures:

Preparing for Class: Come to class with all your materials and assignments. Upon entering class, please sit in your assigned seat and place your book bag under the table. **THERE WILL BE NO FOOD ALLOWED IN THE COMPUTER LAB; LIQUIDS WILL BE ALLOWED AS LONG AS YOU HAVE A BOTTLE WITH A CLOSED TOP.**

Preparing for Class Dismissal: To maximize your learning, you are expected to work until the bell. You **SHOULD NOT** log off your computer or pack up until the bell rings or you are directed by Mr. Will. When the bell rings, you are expected to push your chair in.

Late Work: Turning in work late will result in a deduction of up to 10 points for each day it is late. Work is due by end of class on date given on Canvas. Work not turned in at that time is considered late. If an assignment is turned in 4-10 days late, the student will receive a minimum grade of 60%. All assignments turned in after 10 days will be counted as a zero. To earn the maximum number of points, please be sure to come to class with your assignments completed.

Extra help: Should you need extra assistance, my office hours are 7:00—7:20 in the morning by appointment. Please communicate in advance if you are coming – so I can ensure I am available.

Bathroom/Leaving Room requests: First ask for permission to leave the classroom. Once you have been granted permission, you will need to fill out sign-out sheet. Once you have filled out sign-out sheet, you will need to grab one of the laminated bathroom passes before leaving. If students abuse a bathroom/leave request (found in location where they are not permitted, etc.) they may be subject to a discipline referral. Note – if you are headed to the restroom between classes and you may be late in returning, please check in with Mr. Will before you leave otherwise you will be counted tardy. School policy states that you will not be able to leave the room during the first and last 10 minutes of class.

Cheating or copying: If you are suspected of cheating on a test, quiz, or computer work Mr. Will will confiscate the assignment being completed. The student's parent or guardian will be notified and a discipline referral will be submitted. An alternate assignment may be completed for a reduced grade.

Tardy Policy: Students are considered tardy if they are 10 minutes or less late to their class. If a student is between 10 and 45 minutes late, the student is considered skipping and a referral should be entered by the teacher and parent contact made. Unexcused tardy is entered for attendance purposes. If a student is more than 45 minutes late, the student will be marked absent from the class.

Trash/Garbage Disposal/Pencil Sharpening/Etc: If you have something that needs to be disposed of, a pencil that needs to be sharpened, etc, please execute before the tardy bell rings, wait until the end of the period or until a class transition.

Discipline: Disciplinary issues will be handled in the same manner as tardies (1st offense – verbal warning, 2nd offense – lunch detention, referral to administration and parent contact, etc.) Serious offenses will be referred directly to administration.

Directed Tutorial: Tutorials are Tuesdays (A lunch) and Thursdays (B lunch). Tutorials are assigned weekly. You are expected to be on time and stay the duration of the tutorial assignment. Students who are not assigned tutorial may come in for additional help and/or to work in the computer lab. Please note – ALL students with missing assignments, regardless of grade in class, are assigned to attend Directed Tutorial. *Please note that directed tutorial assignments override club meetings*

Electronic Rubrics: Rubrics are designed to foster your organization in this class. Once rubrics are submitted, they will be graded and returned electronically through Canvas. Please make sure to check these rubrics and Canvas for possible missing assignments before you receive a deduction.

Substitutes: You are expected to maintain positive work ethics and behavior when Mr. Will is absent. There should be no change in classroom procedures or routines when Mr. Will is absent. You will be held to high expectations and will follow all lesson plans and directives given by your substitute. Failure to comply will result in parent contact, detention assignment, and/or administrative referral.

Guest Speakers/Visitors: You will be respectful of all guests who visit our class. You will listen to their presentations and learn from the information they share. You will look engaged, ask questions, and appreciate the time they are taking out of their day to share their experiences with you. No heads on desk!
